period. Such base rates shall include one rate of assessment for any or all varieties or subvarieties of pears classified as summer/fall; one rate of assessment for any or all varieties or subvarieties of pears, classified as winter; and one rate of assessment for any or all varieties or subvarieties of pears classified as other. Upon recommendation of the Processed Pear Committee or other available data, the Secretary may also fix supplemental rates of assessment on individual varieties or subvarieties categorized within the assessment classifications defined in paragraph (b)(1) of this section to secure sufficient funds to provide for projects authorized under §927.47. At any time during the fiscal period when it is determined on the basis of a Processed Pear Committee recommendation or other information that different rates are necessary for pears for processing or for any varieties or subvarieties, the Secretary may modify those rates of assessment and such new rate shall apply to any or all varieties or subvarieties of pears that are shipped during the fiscal period for processing.

(c) Based on the recommendation of the Fresh Pear Committee, the Processed Pear Committee or other available data, the Secretary may establish additional base rates of assessments, or change or modify the base rate classifications defined in paragraphs (a) and (b) of this section.

(d) The Fresh Pear Committee or the Processed Pear Committee may impose a late payment charge on any handler who fails to pay any assessment within the time prescribed. In the event the handler thereafter fails to pay the amount outstanding, including the late payment charge, within the prescribed time, the Fresh Pear Committee or the Processed Pear Committee may impose an additional charge in the form of interest on such outstanding amount. The Fresh Pear Committee or the Processed Pear Committee, with the approval of the Secretary, shall prescribe the amount of such late payment charge and rate of interest.

(e) In order to provide funds to carry out the functions of the Fresh Pear Committee or the Processed Pear Committee prior to commencement of shipments in any season, handlers may

make advance payments of assessments, which advance payments shall be credited to such handlers and the assessments of such handlers shall be adjusted so that such assessments are based upon the quantity of each variety or subvariety of pears handled by such handlers during such season. Further, payment discounts may be authorized by the Fresh Pear Committee or the Processed Pear Committee upon the approval of the Secretary to handlers making such advance assessment payments.

### § 927.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, the Fresh Pear Committee or the Processed Pear Committee may carryover such excess into subsequent fiscal periods as a reserve: *Provided*, That funds already in the reserve do not exceed approximately one fiscal period's expenses. Such reserve may be used to cover any expense authorized under this part and to cover necessary expenses of liquidation in the event of termination of this part. Any such excess not retained in a reserve or applied to any outstanding obligation of the person from whom it was collected shall be refunded proportionately to the persons from whom it was collected. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the Fresh Pear Committee or the Processed Pear Committee and its members to account for all receipts and disbursements.

The Fresh Pear Committee or the Processed Pear Committee, with the approval of the Secretary, may establish or provide for the establishment of production and post-harvest research, or marketing research and development projects designed to assist, improve, or promote the marketing, distribution, and consumption of pears. Such projects may provide for any form of marketing promotion, including paid advertising. The expense of such projects shall be paid from funds collected pursuant to §§ 927.41 and 927.45. Expenditures for a particular variety or subvariety of pears shall approximate the amount of assessments and voluntary contributions collected for that variety or subvariety of pears.

(c) In the event the Fresh Pear Committee at any time finds that by reason of changed conditions any regulation issued pursuant to § 927.51 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

## **§ 927.51 Issuance of regulations; and modification, suspension, or termination thereof.**

(a) Whenever the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that regulation, in the manner specified in this section, of the shipment of fresh pears would tend to effectuate the declared policy of the act, he or she shall so limit the shipment of such pears during a specified period or periods. Such regulation may:

(1) Limit the total quantity of any grade, size, quality, or combinations thereof, of any variety or subvariety of pears grown in any district and may prescribe different requirements applicable to shipments to different export markets;
